SAFETY INNOVATION TECHNOLOGY

Safa Shir Pars Industrial Manufacturing Company
Manufacturer of All Types of Gas Taps and Burners.

- Safa shir Pars Industrial Manufacturing Company .
- Leading manufacturer specialising in a wide range High-quality gas taps and burners.

Our Journey:

Founded in 1993 as a modest 30-square-meter workshop called RIAZAT Production and Industrial Workshop, our company initially focused on producing gas stove burners.

In 2000, we expanded and relocated to a larger facility spanning 1,200-square-meters, operating under the name RIAZAT Industrial Production Group, broadening our product range.

Since 2014, Safa Shir Pars Industrial Company has been headquartered in Safadasht Industrial City, occupying a modern 10,000-square-meter facility under the reputable RIAZAT brand.

We continue to grow and innovate in the production of a diverse range of gas taps, burners, and gas stove accessories, maintaining a strong commitment to quality and excellence.
